

WorkoutExtreme

Pre-Workout Energy Formula

WHAT IS IT?

- A pre-workout energy formula designed to boost the desire to exercise, intensify workouts, increase alertness and delay fatigue

WHO IS IT FOR?

- Adult athletes and exercisers who can tolerate caffeine and want to increase energy levels and workout intensity
- Adults with goals such as improving performance during exercise and competitive events

WHAT ARE THE BENEFITS?

- Ignites energy and boosts metabolism
- Increases focus and mental alertness
- Relieves exhaustion

WHAT MAKES THIS PRODUCT UNIQUE?

- **NSF Certified for Sport** – Independently tested for purity and potency
- Contains a combination of clinically effective doses of caffeine anhydrous and taurine, which may significantly amplify caffeine's well-known performance enhancement effects
- Uses a rapid-release capsule delivery system to maximize the formula's potential
- Can be used as part of the [Performance Stacks](#)
