

# Superior Antioxidant™

## WHAT IS IT?

- Dietary support formula containing nutrients that support healthy aging, have anti-inflammatory properties, and protect cells against free radical damage
- Vegan friendly capsules contain alpha lipoic acid, CoQ-10, lycopene, lutein and zeaxanthin

## WHO IS IT FOR?

- Adults interested in healthy aging, including supporting eye and brain health
- Intense exercisers to help reduce the damage from increased free radical production

## WHAT ARE THE BENEFITS?

- Supplies natural compounds which optimize cellular health but are often limited in typical diets

## WHAT MAKES THIS PRODUCT UNIQUE?

- **NSF Certified for Sport** - Independently tested for purity and potency
- Vegan friendly
- Contains only the most effective antioxidants in their proper forms and amounts
- Accurately complements dotFIT Multivitamin formulas
